AB 1470 (Cannella) Intro 3/4/93	Additional years of service credit	Would have granted, upon the Governor's executive order, three additional years of service and an additional three years of age to state employees, certain employees of contracting agencies and certain CalSTRS members employed in state agencies. The Governor was not convinced the provisions would save money. According to the proponents, a primary purpose of this bill was to avoid layoffs. Although the theory is that savings would accrue through the replacement of highly compensated senior employees with lower paid employees, experience has proven retirement enhancements to be expensive and costing more than initial estimates. AB 1527 (Burton, et al.) Intro 3/4/93	Investments in Northern Ireland	Would have required CalSTRS and CalPERS to monitor annually the extent to which companies in Northern Ireland adhere to principles of nondiscrimination and freedom of opportunity in the workplace. The Governor viewed this legislation the same as another bill he vetoed in 1992 stating that with increasing prospects for political settlement in Northern Ireland, it made no sense to enact this proposal. Sponsor: Authors	Governor veto (9/29/94)
AB 2237 (McDonald) Intro 3/5/93	Investments in South African bonds	Authorizes any state or local retirement system to invest in rated or unrated bonds, notes, or other instruments guaranteed by the government of South Africa. AB 2648 (Karnette) Intro 2/2/94	Benefit enhancement study	Would have required CalSTRS to conduct a study to determine the feasibility of the system to offer certain optional benefit enhancements that members could elect to purchase. The Governor determined that while the bill provides for recovery of the \$75,000 appropriation from CalSTRS members receiving a benefit enhancement, there was no assurance that the TRF would be fully reimbursed and so the board agreed to undertake the study using its own resources. Sponsor: CTA, CalSTRS	Governor veto (9/15/94)

OTHER SIGNIFICANT LEGISLATIVE ISSUES (1994)

California Health Security Act (Proposition 186)—Would have established a “single payer” health care system in which the State of California would administer and finance health care coverage, thereby replacing most private health insurance and current public health care programs. The proposed system would have been similar to those used in some other countries, such as Canada. This act would have had some impact on CalSTRS members depending on their individual circumstances. It would have had no impact on CalSTRS as a public pension fund nor on services CalSTRS provided to members.

OTHER SIGNIFICANT LEGISLATIVE ISSUES (1993)

Voucher/Parental Choice In Education (Proposition 174) – Would have allowed parents to exercise choice in the schools, which their children attend by providing state educational "scholarships," or vouchers, for California students redeemable by their parents at either private or public schools that have converted to independent scholarship-redeeming schools. The amount of the scholarship would be equal to at least 50% of the prior year's public per-pupil spending—an estimated \$2,600 per student.

Note: Any significant migration of teachers from the public schools as a result, would have a negative impact on the funding period at CalSTRS.

1992 State legislation (1991–92 legislative session)

Initiative	Subject	Summary/benefits	Chapter # or status
AB 75 (Elder) Intro 12/4/90	Employer notification	Would have: required employers to provide membership information to all full-time, part-time and substitute employees; deleted reference to a repealed section in the TRL; and included other provisions (not affecting CalSTRS) that would have authorized contracting agencies under CalPERS to offer their employees up to an additional four years of service credit. The Governor was concerned this bill would require him to issue a “statewide executive order” to trigger the effectiveness. Conditioning a local agency’s legislative action on the Governor’s issuance of an executive order is a cumbersome and inappropriate exercise of the Governor’s executive powers.	Governor veto (9/30/92)
AB 486 (Polanco, et al.) Intro 2/12/91	Certification requirements for public contracts	Creates a standardized certification program and permits all state and local agencies to use the criteria under this program to certify minority, women and disadvantaged business enterprises for contracts that are federally, state or locally funded.	Chapter 1329, Statutes of 1992
AB 1074 (Epple) Intro 3/5/91	Extend service retirement formula	Would have increased the benefit factor from 2.1% at age 61, 2.25% at age 63 and 2.5% at age 65 for CalSTRS members retiring after June 30, 1993, with 20 or more years of service credit and whose employer has opted for this benefit. The Governor was not in favor of enhancing a retirement benefit with resources that could otherwise be provided for the classroom. Sponsor: CTA	Governor veto (7/20/92)
AB 1399 (Eaves) Intro 3/7/91	Defined contribution study	Would have required the board to conduct a study of defined contribution benefits and establish a defined contribution “account” that complies with Internal Revenue Code section 415 requirements. Sponsor: Association of California Life Insurance	Died in Senate
AB 1522 (Campbell, et al.) Intro 3/7/91	Additional service credit	As an urgency measure, authorizes the Trustees of the California State University to grant four years of additional service credit to eligible employees who retire during the 1992–93 fiscal year. Intro 3/15/91	Investments: Arab boycott	Prohibits state trust funds from making new or additional investments in business forms or financial institutions that engage in discriminatory business practices that are "in furtherance of or in compliance with the Arab League's economic boycott of Israel." Under the "secondary boycott," which this bill targets, companies doing business in Arab nations must agree not to do business in Israel. Note: CalSTRS is required to begin divestiture of prohibited investments on January 1, 1995, and reduce such investments by one-third annually until January 1, 1998, when divestiture is complete.	Chapter 1351, Statutes of 1992
AB 2282 (Elder) Intro 1/6/92	Member home loans	Would have required the board to study the advantages and disadvantages of offering low interest rate home loans to CalSTRS members. The Governor didn't see any merit to using Teachers' Retirement Fund monies to finance reduced mortgage home loans, which has previously been found to be a violation of both the California Constitution and other statutes to which the board is subject.	Governor veto (8/12/92)
AB 2317 (Moore) Intro 1/13/92	Investments; public retirement systems; investments advisors	Would have authorized CalSTRS and CalPERS to consider joint venture, subcontracting and investment-related relationships with women, minority and disabled veteran business enterprises for purposes of meeting the statewide participation goals. The Governor stated that investment agreements are not service contracts under the Public Contract Code and should not be reported as if they were.	Governor veto (7/27/92)
AB 2335 (Moore) Intro 1/15/92	Contract award requirements	Would have required state agencies to award a contract to the lowest responsible bidder fully meeting the minority and women business enterprises contract participation goals or having the highest aggregate percentage of those goals. AB 2538 (Moore) Intro 2/6/92	Family care leave	Allows members to purchase service credit for time spent on an approved family care leave of up to four months. Note: This bill enabled CalSTRS to implement the provisions of Chapter 462, Statutes of 1991, which required employers of 50 or more employees, including school districts, to grant specified family care leave.	Chapter 1272, Statutes of 1992
AB 2585 (Eastin, et al.) Intro 2/10/93	Charter schools	Would have provided the general requirements for the establishment of charter public schools. The Governor determined that this bill fails to embrace the basic ingredients of the charter school concept (e.g., freedom from the state regulation and employee organizational control and choice on the part of parents, pupils, teachers and administrations).	Governor veto (9/20/92)
AB 2721 (Elder, et al.) Intro 2/13/92	Federal compliance (rollovers)	Authorizes public pension plans, including CalSTRS, to make rollovers directly to another eligible retirement plan. A new federal law requires retirement plans to withhold 20% on the taxable portion of an eligible distribution not rolled over directly to a qualified plan. Allows a member to request that a lump-sum distribution be made directly to another eligible plan and thus avoid the 20% withholding tax now required when the distribution is made directly to the member. SB 766 Intro 3/6/91	CalSTRS funding	As an urgency measure, clarifies the methodology for calculating the Elder Full Funding contributions due CalSTRS on prior calendar year payroll.	Chapter 703, Statutes of 1992; effective 9/15/92

SB 1448 (Hart, et al.) Intro 2/10/92	Charter schools	Authorizes the establishment of not more than 100 charter schools in the state, each of which will be treated as a school district for school funding guarantee purposes. These schools will be exempt from laws governing regular school districts except for those that choose to participate in CalSTRS. When a charter school chooses to participate in CalSTRS, all employees of that charter school who qualify for CalSTRS membership will be covered under CalSTRS. All provisions of the TRL will apply in these participating charter schools as if they were a public school in the school district that granted the charter.	Chapter 781, Statutes of 1992
SB 1687 (L. Greene) Intro 2/20/92	Investments: In-lieu fees	Excludes CalSTRS' real estate investments from in-lieu fees and requires instead that lessees of CalSTRS owned property pay regular property taxes based on their possessory interest.	Chapter 1158, Statutes of 1992
SB 1765 (Hart) Intro 2/20/92	CalSTRS and CalPERS service credit for legislators	Would have allowed CalSTRS and CalPERS members to purchase service credit for time spent in the California Legislature during a service break. The Governor determined this bill contradicts the provisions of Proposition 140 (1990), which prohibits the accrual of pension benefits as a result of service in the Legislature. On or after November 1990, no Legislative Retirement System exists other than Social Security.	Governor veto (9/30/92)
SB 1884 (C. Green) Intro 2/21/92	Multiple retirements ("Betts")	As an urgency measure, provides the methods to be used in the calculation of a retirement allowance for members who previously received either a disability or service retirement benefit.	Chapter 1165, Statutes of 1992; effective 9/30/92
SB 1885 (C. Green) Intro 2/21/92	Federal compliance: new survivor benefits and disability retirement programs ("Betts")	As an urgency measure, establishes new survivor benefits and disability programs for all new members entering CalSTRS on or after October 16, 1992. Also authorizes persons who were CalSTRS members on October 15, 1992, to elect to participate in the new programs. These changes bring CalSTRS into compliance with the federal Older Workers' Benefit Protection Act passed by Congress on October 16, 1990. Coverage A: \$5,000 lump-sum death payment. Coverage B: \$20,000 lump-sum death payment.	Chapter 1166, Statutes of 1992; effective 10/16/92

SB 1886 (C. Green) Intro 2/21/92	CalSTRS disability (“Betts”)	Makes various changes to the CalSTRS disability program: 1) technical revisions to the standard for determining disability; 2) defines “comparable level position” as any job in which the member with disabilities can earn 66 ⅔% or more of indexed final compensation; 3) allows members to apply for disability while still working.	Chapter 1167, Statutes of 1992
SB 1887 (C. Green); Extraordinary Session Intro 2/21/92	State employees: personal leave program service credit; final compensation	Urgency measure: 1) Allows state employee CalSTRS members subject to the personal leave program to be credited with the service they would have received prior to being placed under this program; and 2) provides that, for nonrepresented state employee members who retire or die on or after July 1, 1991, and whose salaries were reduced during the 1991–92 fiscal year, “final compensation” means the highest annual salary as if no reduction had occurred. The employer is required to pay for any costs that result from the increased service credit and use of the higher final compensation.	Chapter 1372, Statutes of 1992; effective 10/27/92
SB 1902 (Johnston, et al.) Intro 2/21/92	Health benefits study	Would have required the board to conduct a statewide health benefits study of certificated school employees using a \$240,000 Teachers’ Retirement Fund appropriation for this purpose. The Governor determined this bill served as a catalyst for seeking a statewide health benefit package for school employees, rather than sought at the local level through collective bargaining. Chapter 540, Statutes of 1992; effective 8/22/92
SB 2018 (Calderon) Intro 2/21/92	Division of community property	As an urgency measure, modifies provisions relating to community property rights in retirement plans, including prohibiting a nonmember spouse from receiving a retirement allowance until the actual retirement date of the member. CalSTRS and CalPERS are excluded from the latter provision.	Chapter 431, Statutes of 1992; effective 9/2/92

AB 77 (Moore, et al.) Intro 12/4/90	Fair employment and housing: family care leave	Requires that employers of 50 or more employees, including school districts, grant unpaid leave for up to four months in any 24-month period for family care purposes, as defined. Note: CalSTRS had previously taken a “support, if amended” position; however, suggested amendments were never adopted into the bill. Sponsor: California Labor Federation	Chapter 462, Statutes of 1991
AB 191 (Elder) Intro 1/4/91	Employer contribution deferral	Would have allowed the LAUSD and the SFUSD not to make their employer contributions to CalSTRS from January 1992 through June 1992. The contributions that would have been made during that six-month period would instead have been paid in monthly payments over a period of up to 20 years commencing July 1, 1993. The Governor determined there was already an orderly process by which districts experiencing financial difficulty could request an “emergency apportionment;” the provisions were perceived to be a loan to these particular school districts, thereby circumventing the existing process; there were no safeguards to ensure that the districts in need would repay their debt, particularly where evidence may portray that their operations were not managed efficiently.	Governor veto (7/18/91)
AB 276 (Filante, et al.) Intro 1/22/91	Rule of 85	Would have allowed a member of CalSTRS aged 50 or older to retire with full retirement benefits, if the member’s age plus years of service credit totaled 85. The Governor determined that CalSTRS already offered several options for early retirement, but with a reduced retirement allowance, as well as other early retirement options including incentives individually being offered by employers; would cost employers \$50,000–\$100,000 per retired member, which would result in a diversion of funds from the classroom; there were no requirements over the life of the early retirement program to reflect any cost savings to the program. AB 692 (Hayden) Intro 2/25/91	Investments: State trust funds	Would have authorized CalSTRS/CalPERS to require companies in which they make investments to disclose the extent to which the companies adhere to the so-called Valdez Principles regarding “corporate environmental” responsibility. The Governor determined the bill as being permissive, unnecessary and an expression of Legislative intent and CalSTRS/CalPERS already have guidelines for companies in which the systems invest to conduct themselves with propriety and a view toward social considerations.	Governor veto (10/14/91)
AB 702 (Frizzelle) Intro 2/25/91	CalSTRS funding	As an urgency measure, provides that Elder Full Funding contributions be made in quarterly payments of 1.075% from the General Fund to the Teachers' Retirement Fund instead of monthly contributions, commencing October 1, 1991.	Chapter 83, Statutes of 1991; effective 7/1/91
AB 1189 (Peace) Intro 3/6/91	Investments: corporations – electronic proxies	Permits oral telephonic submission of a proxy by a shareholder or someone with authority to act for a shareholder. Note: This bill does not require any action on the part of CalSTRS.	Chapter 308, Statutes of 1991
AB 1330 (Burton, et al.) Intro 3/7/91	Investments: Northern Ireland	Would have required CalSTRS/CalPERS to: 1) compile a list of corporations that do business in Northern Ireland (NI), in which the assets of the two funds are invested and report this information to the Legislature; 2) annually monitor the extent to which U.S. Corporations operating in NI, in which the funds have investments, adhere to nondiscrimination principles, as defined by the MacBride Principles; and 3) support, whenever feasible, shareholder resolutions designed to encourage corporations in which the funds have invested to pursue a policy of affirmative action in NI. The Governor determined the bill was redundant with existing practices and that it was opposed by political and labor union leaders who represent NI Catholic constituencies who viewed the bill as threatening to the economy of NI as well as the job opportunities for Catholic workers who are far better protected by the mandatory provisions of the Fair Employment Act of 1989 than the MacBride principles. AB 2224 (Cannella) Intro 3/12/91	Full-time equivalent in community colleges	Would have established new standards for the crediting of service performed by community college members of CalSTRS employed on a part-time basis. The Governor determined the bill would result in increased costs to CalSTRS for those part-time instructors who become full-time instructors (estimated to range from \$10,000 to \$30,000) and would continue to increase for a number of years. Sponsor: CFT, FACCC	Governor veto (10/14/91)
SB 196 (C. Green) Intro 1/17/91	Scientific surveys	Would have required CalSTRS to establish procedures for evaluating and implementing requests of organizations with CalSTRS members to conduct scientific surveys of the CalSTRS membership. The Governor determined this bill would redirect CalSTRS' efforts toward an objective of satisfying the requests of outside organizations rather than to focus on its mission to satisfy the membership and was concerned with costs and resources needed to take on the additional workload. Sponsor: CTA	Governor veto (10/2/91)
SB 1171 (PE & R) Intro 3/8/91	CalSTRS housekeeping	1) Clarifies provisions concerning the limitations imposed by Section 415 of the IRC on the benefits received by CalSTRS members; 2) authorizes CalSTRS to establish procedures to ensure compliance with information reporting requirements and provides that any person who willfully files any report in violation of the statutory requirements is guilty of a misdemeanor; 3) makes a technical, corrective change in the one-year final compensation provisions for classroom teachers; 4) clarifies that CalSTRS members receiving a disability benefit and inactive members are eligible to participate in the Dave Elder CalSTRS Home Loan Program; 5) requires spousal signature for most benefit applications; 6) requires employers to annually provide CalSTRS with copies of documents concerning employee compensation; and 7) allows CalSTRS members who served on active duty in the Persian Gulf conflict to receive CalSTRS service credit for the time spent on the military leave. AB 122 (Filante) Intro 12/12/88	Rule of 85	Would have added an additional, optional, Rule of 85 early retirement incentive provision to permit service retirement at or over age 50 without any actuarial reduction in the normal retirement age factor (age 60) if the total of the member's age and credited service is at least 85. The employer would have been required to pay the actuarial present value cost of the increased allowance plus related CalSTRS administrative costs. The Governor vetoed this bill because CalSTRS members already have the option to retire before age 60, but with a reduced retirement allowance; school districts, when feasible, may offer Golden Handshake programs; the program is very costly and would divert funds from the classroom; concerns with the impact of Purchasing Power Protection earlier than normal retirement; and future impact on Section 415 limits and potential for CalSTRS to lose its federal tax exempt status. AB 1105 (Hughes) Intro 3/1/89	Disability leave	As an urgency measure, would have required the governing board of a school district to grant a leave of absence to any certificated employee who applied to CalSTRS for a disability benefit and, if the employee is determined by CalSTRS to be eligible for the disability benefit, requires the employee's leave of absence to be extended for the term of the disability, but not more than 39 months. The Governor determined this bill to be similar to another bill he vetoed in 1987 (AB 420, Hughes). Granting a disability leave of absence is discretionary and should be bargained at the local level, not mandated in state law. Sponsor: United Teachers of Los Angeles	Governor veto (9/16/89)

Governor determined the bill was unnecessary since there are already three centers for corporate governance in the U.S. studying these issues; there is nothing precluding the University of California, or any other university, from establishing its own private center; and, it was unclear whether this center was private sector or a governmental entity subject to civil service rules, conflict of interest rules, budgetary oversight or other similar restrictions. SB 1605 (Stirling) Intro 3/10/89	Retirement homes	Would have authorized: 1) various state retirement systems including CalSTRS to establish, operate, or enter into joint ventures or contracts for services for retirement homes for their respective retired members; 2) retired members entering those homes to elect direct payment of all or part of their retirement allowances to the homes, as specified; and 3) CalSTRS/CalPERS to buy, build, finance, or enter into joint ventures to provide low and moderate income housing for their active and retired members. The Governor determined that various public retirement systems were not prepared in terms of experience or personnel to enter into this unfamiliar area; CalSTRS should concentrate on its primary mission to provide retirement benefits to its members and manage its investment programs in a prudent and successful manner; and, the investments could result in CalSTRS being subjected to unrelated business income taxes. AB 59 (Elder) Intro 12/3/86	Elk Hills: disbursement of revenue	Requires any revenues related to the state's claim to school lands within the Elk Hills Naval Petroleum Reserve to be deposited into the School Land Bank Fund. Interest earnings will go to the TRF for distribution on a pro-rata basis to CalSTRS benefit recipients whose payments are below 75% of purchasing power. Sponsor: CalRTA	Chapter 985, Statutes of 1988
AB 147 (Elder) Intro 12/19/86	Supplemental Social Security Plan: alternative retirement plan	Requires CalSTRS to develop an alternative retirement plan recommendation to provide members an adequate retirement benefit for use if benefits are coupled with Social Security and to submit the recommendation to the Legislature by March 1, 1989.	Chapter 743, Statutes of 1988
AB 1982 (O'Connell) Intro 3/6/87	Credit for out-of-state service	Would have authorized a member who retires after January 1, 1989, to elect to receive additional service credit for out-of-state service, as specified, if the member pays all contributions at the rate for additional service credit at the time of election and precludes such purchased service from being eligible for specified postretirement quarterly supplemental payments. The Governor vetoed a similar bill in 1986 viewing these provisions as a liberal expansion of retirement benefits not available to members who have served their full careers in California and that the purchase price would not cover actual costs of the extra retirement allowance resulting in an increase of CalSTRS' unfunded liability, which would be counterproductive to maintaining the retirement plan in a financially sound condition. Sponsor: CFT	Governor veto (9/29/88)
AB 2874 (Elder) Intro 1/28/88	Investments: reporting requirements	Requires the board to submit to the Legislature, by November 1 of each year, a report of the unaudited investment data compiled for the preparation of the annual report required in Education Code section 22308. AB 2882 (Elder) Intro 1/28/88	One-year final compensation for classroom teachers	Would have provided that “final compensation” mean the highest annual compensation earnable by the member who is a classroom teacher, as defined, during any period of 12 consecutive months during CalSTRS membership. The Governor was concerned with increasing retirement allowances for certain CalSTRS members without providing a funding source to support the increase (\$142.5 million the first year), therefore increasing CalSTRS’ unfunded liability by \$250 million per year; putting pressure on CalPERS to offer comparable benefits; and, creating a distinction in benefits between classroom teachers and other CalSTRS members. Sponsor: CTA, United Teachers of Los Angeles	Governor veto (9/30/88)
AB 2885 (Elder) Intro 1/28/88	Service credit for leave of absence	Increases the maximum amount of retirement service credit earnable by an active CalSTRS member on an approved leave to serve as an elected member of an employee organization from a maximum of eight years to a maximum of 12 years. Sponsor: United Teachers of Los Angeles	Chapter 688, Statutes of 1988

Sponsor: CalRTA	Chapter 792, Statutes of 1988
AB 3194 (Elder) Intro 2/10/88	Teachers’ Retirement Board	Would have required that the three CalSTRS members and the retired member of the board be elected from their respective constituencies. Sponsor: Association of Retired Teachers	Governor veto (8/19/88)

Initiative	Subject	Summary/benefits	Chapter # or status
AB 3271 (Filante) Intro 2/11/88	Rule of 85	Would have added an additional, optional, Rule of 85 early retirement incentive provision to CalSTRS, which would permit service retirement at or over age 50 without any actuarial reduction in the age 60 retirement factor if the total of the member's age and credited service is at least 85. Employers would be required to pay the actuarial present value cost of the increased allowance plus related CalSTRS administrative costs. The Governor determined that funding this program would divert funds from the classroom; adding early incentives for retirement to experienced educators with many productive years of service remaining in their careers is contrary to predictions of teacher shortages; and, it places retirees in a position to require purchasing power protection earlier than normal. Sponsor: Marin County Superintendents	Governor veto (9/20/88)
AB 3409 (Frizzelle) Intro 2/16/88	Subrogation program	Permits the board to initiate a program to recover benefits paid as a result of the death of or injury to a CalSTRS member caused by a third person, other than the employer.	Chapter 380, Statutes of 1988
AB 3887 (Grisham) Intro 2/18/88	CalSTRS housekeeping	1) Deletes a provision requiring CalSTRS to notify retirees of income tax liabilities which were made obsolete by the Federal Tax Reform Act of 1986; 2) renumbers a section of the definitions chapter to be in alphabetical order; 3) clarifies that the board may contract with investment managers to monitor and advise the board on the voting of shares owned by CalSTRS and advise on responses to other corporate governance matters; 4) clarifies that the original disability benefit date be retained as the base date for determining post-retirement benefit increases only when there is a continuous benefit from CalSTRS when a disability benefit is converted to a service retirement allowance; and 5) deletes a reference to a repealed section of the Education Code. The Governor stated that he already provides funds for the maintenance of 68.2% of original purchasing power to offset inflation for retired teachers and suggested that further enhancements should be considered during the normal budget process. The Governor vetoed a similar bill last year and although he rejects the practice of "greenmail," his concern was that the 3% purchasing limit proposed may be overly prescriptive, the definition of "target" corporation may be unconstitutional and further stated that interstate regulation was the appropriate way to proceed. He also stated that he would welcome federal legislation to address the issue. Sponsor: Senate Commission on Corporate Governance, Shareholder Rights and Securities Transaction. The Governor determined that the cost of providing preretirement survivor benefit options to active members of CalSTRS and allowing members with disabilities to file for those options would increase annual costs and contribute to CalSTRS' unfunded liability.
